Greetings,

On behalf of the **Give-A-Kid-A-Chance** (GAKAC) Team, please take a moment to read this letter and consider becoming involved as a Sponsor.

Give-A-Kid-A-Chance is a “**Back to School Program**” that culminates in a one day event every August. Every registered child receives a new school uniform, a backpack full of school supplies, haircuts and health screenings. The event also provides the Child’s family access to numerous organizations that provide services to economically disadvantaged children and their families.

For the past three years, we’ve conducted the event on a shoestring budget and because we are only reaching a small fraction of the Children in our city that need help, we are reaching out to you. We need your **HELP** in what ever form you are willing to give.

Sponsorships - Goods - Services - Nominations - Volunteer - Participate

Next year, we want to reach at least **1,500 children** and their families. That means, on the day of the event there will likely be **4 thousand** of our friends and neighbors pass through the various stations and activities.

In order to be ready – we have to start **NOW !**

Enclosed is a return postcard that lists the various ways you can help. Please take a moment to fill out the card and return it so we can make contact and discuss your participation.

Respectfully Offered,

Marty W. Nelson
Director
